When are two heads better than one? When they're two of the best auto repair minds in the business! Dave Hix of Dart Automotive makes his quarterly call to answer your transportation fix-it questions.

He joins our own answer man,
Dan "Boots" Longenette,
along with
Lex McAllister, and
Randy Rhinehart
on
Auto Smarts presented by Germain.com,
Sunday from 10am-12n on 95.5 The Hawk and Wink 107.1
.

Co-host Steve Germain
is on assignment covering the end of the
NASCAR Chase.

But there's more than what meets the ear! **PayMyRepairBills.com** offers extended service plan coverage customized for each car owner.
Mark Elliott
drops by the show to explain how his company's goal is to simplify coverage by offering options that are easy to understand and fit into your budget.

Mark tells how his experienced crew can give you the automotive peace of mind you need!

They're back! It's the Feature Kings. Michael Sacks of **Kimmel and Silverman** looks for the red flags when it comes to new car purchases, and shares the very latest information in his
1-800 Lemon Law Lemon Aid Minute.

He’s local, he’s engaging, and he’s legal…a legal beagle that is!

Jack Moser
joins us live with another thought-provoking installment of his weekly
busted for drunk driving.com
feature.

The majority of the rest of the program is dedicated to you…the callers, the emailers. The crew is ready for your questions at
