

**Bodine and Germain.com Crew Made Most of Martinsville Weekend**

Mooreville, NC (04-04-2011) – Short track victories remain elusive for Germain Racing after another NASCAR Camping World Truck Series race weekend was completed at Martinsville Speedway. Todd Bodine qualified 15th in the No. 30 Germain.com Tundra and finished 14th, on the lead lap, with a Toyota that bore plenty of battle scars to tell the story of a rough and rugged day of half-mile racing.

“We had a good truck for Saturday’s race, but we got into the back of the 5 at the beginning of the race. That contact put the splitter up in the air, messed up cambers and killed the downforce on our Germain.com Tundra. If things had gone the right way, we were a top-five truck,” said Bodine, who finished 14th, on the lead lap, in the Kroger 250.

Bodine credits his team’s work for his respectable result, despite the significant damage to his Toyota Tundra.

“Pit strategy. Pit stops. Hard work by everyone and at times we got lucky. Some times we had better tires than some of the guys. A little of everything went into our finish, but mostly team work from this number 30 Germain Racing team,” said Bodine.

Crew chief Mike Hillman Jr. says the weekend wasn't a win, but, the team and driver efforts were second to none.

“The guys did a great job on pit road repairing the damage to make the truck the best it could be after being part of three cautions. Todd and the crew did the best they could do with the damage we had to work with. We can't be too proud of the finish, but, I'm proud of the hard work and never-give-up attitude of this team. We're ready to go to Nashville,” said Hillman.

The highlight of the day for Hillman was watching Germain Racing's team performance.

“We had three of our four trucks in the top ten on Saturday. With the way Justin (Lofton) ran in practice and in qualifying, he was going to be good, too. It was awesome to watch our teammates race for the lead, lead laps and to see the strength of Germain Racing,” said Hillman Jr.

Bodine enjoyed watching the youth of the Truck Series competing in the top positions.

“The kids we have in the Truck Series this year are good and they’re going to be good all year. They grew up on short tracks, so I expected them to be tough on Saturday,” said Bodine.

After three of 25 races, Bodine ranks eighth in the Truck Series points standings. Germain Racing and Todd Bodine fire up the No. 30 Tundra next at Nashville Superspeedway on April 22nd.
