

For Immediate Release

Fast Lube Plus of Cary, NC, is an All-Star Associate on the Special Camouflage-decorated GEICO Chevrolet SS with Casey Mears at Charlotte Motor Speedway

May 14, 2014 (Mooresville, NC) – This week is a very special week for Germain Racing driver Casey Mears and the No. 13 GEICO Chevrolet SS team. A special paint scheme. A special uniform. A Top 10 driver and a North Carolina-based associate sponsor. Fast Lube Plus, with locations in and around Cary, NC, is joining Mears in the debut of a very special paint scheme being featured on the No. 13 GEICO Chevy SS at Charlotte Motor Speedway. The camouflaged GEICO Chevy will first race Friday night in the Sprint Showdown – a qualifying event for Saturday’s Sprint All Star Race. Mears is in the Top 10 for fan votes which could mean he is voted into the Sprint All Star Race field if he doesn’t gain entry via the Sprint Showdown.

Fast Lube Plus offers Castrol liquid technology in their oil changes at locations in Cary, Morrisville, Holly Springs, Apex and Garner. Stop into Fast Lube Plus for shock and suspension service, too.

You may have to look twice to find the No. 13 GEICO Chevy SS and Mears this weekend as they will both be cloaked in camouflage, but, they will be there, at Charlotte Motor Speedway, starting with Sprint Showdown practice at 12:05 PM (EDT) on Friday, May 16th. Qualifying follows at 4:10 PM. The two-segment race will kick off at 7:15 PM. All will air live on FOX Sports 1. The Performance Radio Network (PRN) will carry the live Sprint Showdown radio broadcast, along with SiriusXM NASCAR Radio, channel 90. Saturday's Sprint All Star race is scheduled to start at 9:10 PM.

It's more than just oil. It's liquid engineering. Learn more at Castrol.com
